

MAQ Mystery Quilt 2018-2019

Kiss and Tell

Clue #2

This month is an easy step.

Cut 2” strips from the yellow and colored fabrics. Sew these into sets of three strips, yellow sandwiching the colors. Press the seams towards the yellow. Cut these into 2” sub-units as if for a 9-patch. Make 80 of them.

That’s all, folks! See you next month. - Nina
